

[English version]

PRESENTATION OF EXPERIENCES / GOOD PRACTICES

INSPIRING AND INNOVATIVE INITIATIVES

Subject

“Youth participation to build sustainable food systems in the Mediterranean”

1st Theme: Education and training

2nd Theme: Entrepreneurship and innovation

3rd Theme: Representation and participation

For further information, see the call for contributions: [here](#)

Innovation, experiences, promising projects or best practice presentation (a word page (Arial 11), respecting the following pattern:

- 1) Identification of the practice:** Title, date, context, website, contacts...
- 2) Purpose or utility of the practice:** the stakes, the motivation(s)... if possible, illustrate statements through cases, testimonials...
- 3) Description of the practice:** stakeholders, target audience, goals...
- 4) Implementation of the practice:** the different stages of the practice, the tools and resources needed/mobilized, the collaborations developed...
- 5) Monitoring and evaluation:** results achieved, potential obstacles and conditions for success, future prospects...
- 6) Recommendation or advice**

All contributions should be accompanied by a signature - your name, job title and/or institution (included in the article), a high quality - high definition photo, a brief but evocative title; and eventually a brief bibliography / webography (not more than 4-5 references).

Delivery - The papers must be sent via mail at watch.letter@ciheam.org
